

[Reference] "Sleeve length" and "Pants length" measurements

- Please refer to the above measurements of the washed Judogi.
- If the current length meets the requirements, select a measurement with a similar length in each size table.
- If the length doesn't meet the requirements,
Jacket... 2.5cm sleeve length increases with each addition of F1.
* Sleeve length increases by 3cm with each addition of F1, only for JOA jacket.
- Pants ... Each additional F1 increases the pants length by 3cm.
* Intermediate length adjustment is not possible.
